

Harbor Kitchen — Ballard

Employee Handbook Addendum: Food Safety Credentials and Paid Sick & Safe Time

Effective 1 November 2026 · Prepared by the General Manager · Version 1.0

This addendum applies to all staff at our second location, Harbor Kitchen — Ballard (approximately 25 employees). Our first location, Harbor Kitchen — Fremont, employs 31 people. Both restaurants are owned and operated by Harbor Kitchen LLC.

1. Food worker cards

All kitchen staff must hold a valid Washington State Food Worker Card. Front-of-house staff who do not prepare food (hosts, servers, bussers) are exempt from this requirement. New kitchen hires have 30 days from their start date to obtain a card. The card fee (\$10) is reimbursed on the first paycheck. Employees are responsible for keeping their own card; the restaurant does not retain copies.

Staff transferring from Fremont must obtain a new card for the Ballard location, as cards are issued per establishment.

2. Alcohol service

Bartenders must complete MAST training within 60 days of hire. Servers who deliver drinks to tables are not required to hold a MAST permit.

3. Paid Sick and Safe Time (PSST)

Harbor Kitchen — Ballard is a Tier 1 employer under Seattle's Paid Sick and Safe Time Ordinance because this location has fewer than 50 employees. Accrual and carryover are as follows:

Item	Policy
Accrual rate	1 hour of PSST for every 40 hours worked
Waiting period	Employees may begin using PSST after 180 days of employment
Annual carryover	Up to 24 hours of unused PSST carries over to the following year
Eligibility	Full-time employees (30+ hours per week). Part-time and seasonal staff are not eligible.
Documentation	A doctor's note is required for any absence of 2 or more consecutive shifts
Balance notice	PSST balances are provided on request from the office

Shift coverage: an employee who wishes to use PSST must first attempt to find a co-worker to cover the shift. If no cover is found, the absence may be recorded as unexcused.

Unused PSST is forfeited at separation. Employees rehired after more than 30 days start a new accrual balance.

4. Wages and postings

Ballard staff are paid the Seattle minimum wage of \$20.76 per hour. Tips received are credited toward this minimum for tipped positions. Required workplace posters are displayed at the Fremont office and are available on request.
